

iTax and Kentrade Payments through SBM

In line with our mission for a smarter tomorrow, SBM partnered with KenTrade and KRA to make sure your experience with paying tax and custom fees is as seamless as possible. SBM as an approved agent can therefore collect payments on behalf of KRA and KenTrade. As such, you can submit your PRN alongside a deposit slip and the cash in any of our branches and we'll handle the rest.

Through iTax, you can make a self-assessment of the tax due, and the system will generate a unique Payment Registration Number (PRN), also known as an E-slip.
